|---|--|
| 1. A large dog originally bred for snow rescue and as a working dog. | 6. A medium large breed with a golden coat. This breed is very active and fun-loving but also exceptionally patient. |
| 2. The meaning of this breed name was originally "lion dog" because this variety of dog was bred in China to resemble a miniature lion. | 7. A short-legged, elongated dog breed of the hound family. |
| 3. The appearance of this breed is characterized by a flat, wrinkled face, compact body, and curled tail. | 8. This breed is a small breed of dog with white fur that does not shed. The breed has a reputation for having a good-natured temperament but is also fearless and may be intolerant of children and other pets. |
| 4. One of a small breed of hounds, used for hunting rabbits, that resembles a foxhound but is smaller. | 9. These dogs are no more than about 40cm in height and have a short coat that may be smooth, broken, or rough, and small, pointed ears that usually fold forwards. |
| 5. This breed is the smallest breed of dog and is named for a region in Mexico. | 10. A breed of dog, noted for its white coat with (usually) black spots. |
