

# Wild Animals

Trace the names of the animals below and find them in the word search.

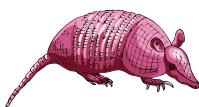

bat

alligator

anteater

armadillo

baboon

badger

bandicoot

A complex word search puzzle grid containing various words. The grid is composed of several interconnected paths of letters, some forming words horizontally, vertically, or diagonally. The letters are represented by uppercase and lowercase alphabets, numbers, and symbols. Some letters are circled, indicating they are part of a specific word or group. The grid is highly interconnected, with many paths crossing each other.

Key visible words include:

- Vertical words: T, A M, E Z, V A Q, S D, O G, N H Q X J J G R, J E H T Z B W E V Y R T O V W A B E F I F Q K, X R O J I U Y E M O O L P S J M M A J U R J W, B D J N X C G T O L B R U F W E T W I P J, Y B A O J A C I N A B T D A E E H E S, E J P S G I D P L G B S H F P R Y O, T V B I D A M R V E P D D D G B V, L L N M H W, A A R I, B A C, K V Q E, R G B Z, S N R, O A O J W, O E Y O H J N K, B Y G N M V M R S, A A A O W C S V W, C X I W D, G J T J Z X X E, M U, A T Z G, W P V M.
- Diagonal words: Several words are formed by paths that run diagonally across the grid, such as 'E Z' (top-left), 'B A C' (bottom-left), 'K V Q E' (bottom-left), 'R G B Z' (bottom-left), 'S N R' (top-right), 'O A O J W' (top-right), 'O E Y O H J N K' (top-right), 'B Y G N M V M R S' (top-right), 'A A A O W C S V W' (top-right), 'C X I W D' (top-right), 'G J T J Z X X E' (top-right), 'M U' (bottom-right), 'A T Z G' (bottom-right), and 'W P V M' (bottom-right).
